

*Join us for the 3<sup>rd</sup> annual Kurt Caselli Foundation Ride Day at Glen Helen Raceway on December 4, 2015. Gates will open at 8:00am with a \$20.00 donation fee collected from participants. Riding will start at 9:00am and end at 3:00pm. This year, The Kurt Caselli Foundation will have the main track available for open riding as well as the kids track and an off-road loop.*

*A raffle ticket will be handed to each participant at the gate and the raffle will take place at 11:30am. A silent auction will be held at 1:30pm with all proceeds going to The Kurt Caselli Foundation.*

*NEW for this year is the Caselli Team Challenge where two riders will pair up and participate in an 8-lap race. The riders will need to use only one bike and switch off each lap. There can only be one pro rider on each team. The start will take place Lemans style with one boot from each of the starting riders in a pile in front of the start line. Riders will run to their boot first and then back to their bike before taking off on the first lap. An entry fee of \$20.00 will be mandatory for all teams that goes toward The Kurt Caselli Foundation. The race is limited to 30 teams with a grand prize and custom-made trophy awarded to the winning pair.*

*On behalf of The Kurt Caselli Foundation, we look forward to greeting you at the ride day.*
