Tim Warden Wins Grand Prize for Essence Of Motocross Photo Contest!

This month concluded our Essence of Motocross Photo Contest. April's round featured the brave girls of motocross. **Tim Warden** was the winner of this round with his picture of "Brienna Gomes Sending It".

This was the third win for reigning champ Tim Warden, making him the

grand prize winner of 2 free super tickets to the 2014 Red Bull Glen Helen National.

The Essence of Motocross Contest was held over the months leading up to the highly anticipated 2014 National. Each month brought a new round featuring a different motocross theme. Previous rounds included **Get Dirty, Best Holeshoot, and High on Motocross.**

All of our fan's photo entries captured the different aspects and true spirit of the motocross scene. Many of the photos feature riders giving it their best, with the iconic Glen Helen Raceway whirling past them in the background. Judging from these action shots- riders at Glen Helen are definitely adopting our way of life and "feeling the speed".
