

SATURDAY'S EVENTS CANCELLED DUE TO RAIN, YAMAHA PRO/AM WILL RACE ON SUNDAY

Yam Pro/Am Championships are ON for SUNDAY!

Motocross Day of the Yamaha Pro/Am Series as well as the Saturday REM race has been cancelled due to the weather. REM will resume with its next event on Saturday, December 20th. The Yamaha Pro/Am Grand Prix WILL be run on Sunday December 13th as originally scheduled, followed by the Pro/AM Motocross Races that same afternoon.

The Yamaha Pro/AM Championships will be determined by the combination of finishes from both the morning GP and the afternoon MX races. The GP will be conducted on a super fun GP course designed by Gary Jones; Glen Helen will provide a great track for the motocross races in the afternoon. The Pro/Am is always a great event, and this condensed version will be one of the best!

Practice/sight lap will be at 8am, with the first GP scheduled for 8:45am. Gate fees are \$10 (\$5 for kids 6–12), and post entry is \$60 for both the GP and the motocross, or \$30 if you choose to compete in only the GP or the afternoon MX races. As with all Glen Helen events, transponder scoring will be used, and there is never a membership fee!
