

Ready to be a Part of Something You'll Never Forget?

Are you passionate about motocross? Have you ever wanted a behind-the-scenes experience for a monumental event like the MX National? Here is your chance! Glen Helen Raceway is looking for volunteers for the **2014 MX National** on Saturday, May 24th. Help us out, and we'll give you 2 free tickets to the MX National, plus early pit access! Volunteers are needed for the week before Nationals (May 16-24), as well as on race day. All of our volunteers will receive firsthand experience on what it takes to put the MX National together, while being immersed in the motocross industry.

What We Want

We are looking for people (18 years and over) who have outstanding people skills, patience, can rationally think in crisis situations, and have a willingness to work hard on everything that needs to be done for Nationals. We have several volunteer opportunities available including parking, security, track set up, and more. We want individuals that have a sense of humor, are highly motivated, and are dedicated to helping make the 2014 MX National a success.

Commitment

Our volunteer positions are very flexible, and easy to work around your schedule. We have morning, afternoon, and evening shifts to accommodate most schedules. **We need many volunteers that are available to help during the week leading up to Nationals (May 16-24), as well as volunteers for race day, Saturday May 24th.**

Why Volunteer at Glen Helen?

Upon completion of volunteering, you will receive two passes to the AMA MX National (with early entry pit access), along with a rally towel which will allow you exclusive access to a designated area located infield of the race track! In addition, you will receive a

certificate from Glen Helen Raceway recognizing your contribution to the 2014 MX National.

Volunteering with help you gain more skills and experience – our volunteers receive training on event setup, traffic control, and track maintenance. If you need volunteer hours for school or community service, we are also able to sign off hours.

Interested?
