

Bud Feldkamp Inducted into Off-Road Hall of Fame

(November 1, 2016) "Last night, Glen Helen founder and owner Bud Feldkamp was inducted into the Off-Road Hall of Fame in Las Vegas, NV. Not sure the artist who created the tribute, but it was up for auction, and it needed a home in Bud's office or at the Glen Helen museum. Either way, friend/friend's got it done and Bud will have this artwork to remind him of how much we appreciate his giving us a stage/playground to perform on and his inspiration to all of us." - Tom White
