

Glen Helen BMX Grand Opening!

The grand opening of the new BMX track at Glen Helen has been highly anticipated since construction began in June. Just in time for Fall, the wait is finally over! Glen Helen BMX will be making it's grand debut on **Thursday, September 11th** for its first track preview. The BMX track will be open for a public practice from 5-7pm and costs \$10 per rider. All riders must have a USA BMX membership. You can purchase your membership for \$60 at the track on practice day, or if you need to renew your membership click here:

The brand new track was built and designed by USA BMX, and features bull turns with whoop sections and jumps. The track will be brightly illuminated with newly installed lights for our evening practices on Thursdays throughout September. Glen Helen hopes to involve the surrounding communities and local riders with the new BMX track, inviting everyone to come out for the Grand Opening. Glen Helen BMX will bring Southern California BMX racing to new levels, as riders race a truly legendary outdoor track. Carved into the hills of Glen Helen National Park, Glen Helen is known for its tough conditions and monumental heights. Like the iconic motocross tracks, the BMX track will follow in their lead to become a world class racing experience. Some stuff to look out for in the near future are a PA system, scoring tower, and a starting gate.

Practices in September will be on Thursday the 11th, 18th, and 25th from 5-7pm

\$10 per rider, and riders must have a USA BMX membership. Glen Helen BMX main sponsor, Chaparral Motorsports will be at the September 18th, Thursday practice with some exciting prizes to win. More dates and information will be available soon. Be sure to sign up for our newsletter at www.glenhelen.com to stay up-to-date with all Glen Helen news!
