

## John Burr Cycles 24 Hours of Glen Helen Update- New Pro Race Feature Added!

The Glen Helen Raceway staff and John Burr Cycles are very excited to announce the first ever GPS Tracking for the Pro Teams at this year's John Burr Cycles 24 Hours of Glen Helen. This will add a new dimension for this race for both spectators and the Pro Teams as well. With the close racing that always seems to follow this event, GPS will enable everyone to keep even closer tabs on their favorite Pro riders!

**John Burr Cycles will be taking over Glen Helen Raceway this weekend, October 11-12 for the annual 24 Hours of Glen Helen. This year's event promises to be one of the best ever, and it will be to surpass the outstanding event of 2013, won**

**once again by the JCR (Johnny Campbell Racing) Honda team of Colton Udall, Ryan Dudak, Timmy Weigand and David Camo. The JCR team was pushed to the limit (in fact had to come from behind to win) by the Precision Concepts team of Robbie Bell, Chris Hollis, Justin Seeds and Ty Renshaw. The early on leader of the race, the Zip-Ty/Bonanza team of Mike Brown, Gary Sutherlin, Ty Davis and Bobby Garrison, had some fuel delivery issues early on, gave up the lead and were unable to recover. What a 24-hours it was!**

Entries for this year's event are open and available online at [glenhelen.com](http://glenhelen.com). Gates open Friday, October 10<sup>th</sup> from 12pm to 10pm for overnight camping (we encourage early arrival for great pit locations!).
